

Signup and connecting to Zoom

You can download this to your PC, laptop or smartphone. To download the app to your smartphone check at the Apple or Android store for the Zoom App.

This software App will allow you to connect to online AA meetings.

Once you open the Zoom website a series of pages open as you click through the site and fill out the information that is required, (see below).

People should download Zoom as per the guidelines and save the login page (or their profile page) into their browser favourites.

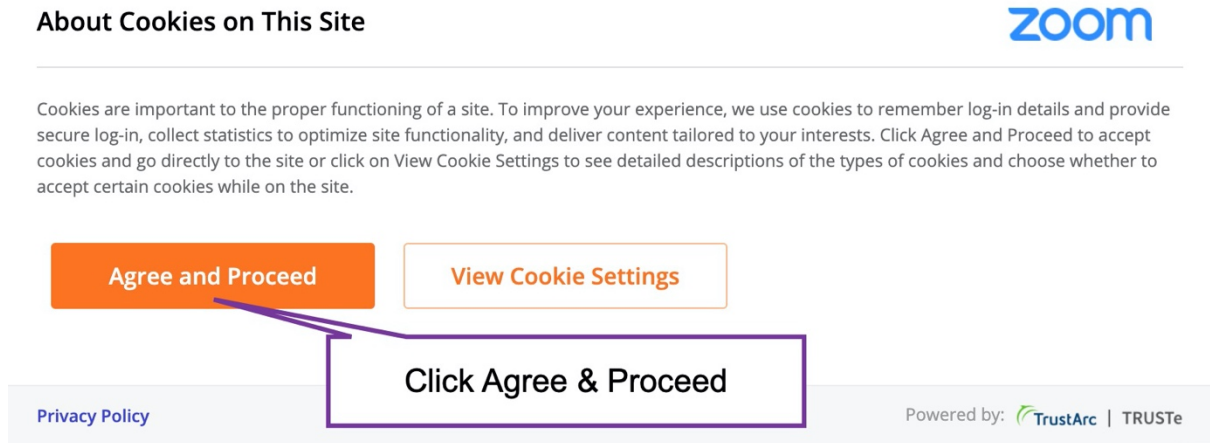

Once it is installed, there is no need to “open” Zoom in order to join the meeting; simply click on the link that will be provided, and connection will be made automatically.

The link will look like this example: <https://zoom.us/j/12345678>

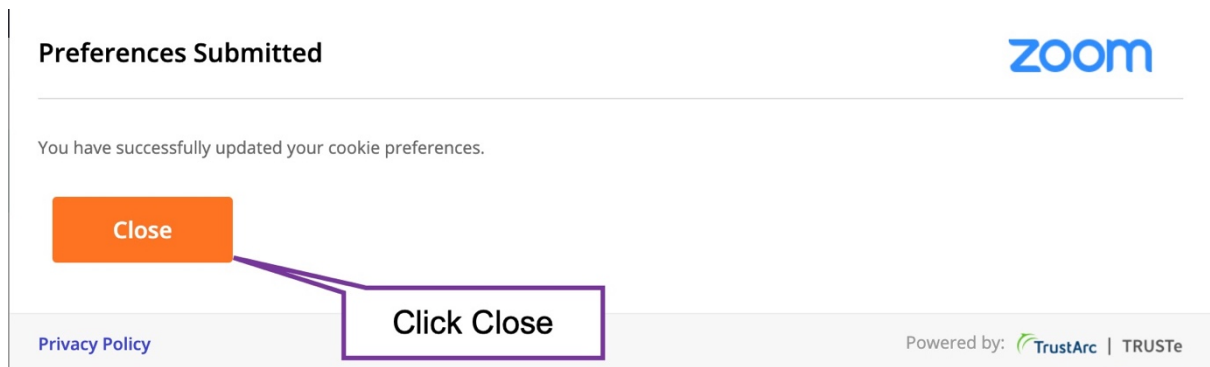

I have tried to keep the instructions to a minimum and as simple as possible. If you do experience any problems please contact, admin@aafrance.net

This is to try help those who can be challenged by signing up and downloading apps or software from the internet. For those that do not have any problems please let me know how these instructions can improved.

How to Use Zoom

Before a video conference:

- Using your computer, tablet or smartphone with speaker or headphones. You will have the opportunity to check your audio immediately upon joining a meeting.
- You will receive notice for online meetings by email or listed on the website www.aafrance.net. The notification will include a link to join via computer or smartphone, it will also include the nine-digit (usually) meeting ID. For example: Join Zoom Meeting, <https://zoom.us/j/12345678> - Meeting ID: 123 456 789

To join the video conference:

- At the start of your meeting, click on the link in your invitation to join via computer. You may be instructed to download the zoom application.
- You have an opportunity to test your audio at this point by clicking on test computer audio.

Can't find the link:

- You may also join a meeting without clicking on the invitation link by going to join.zoom.us on any browser and entering the **Meeting ID** provided by your host.

Trouble hearing the meeting, join via telephone while remaining on the video conference:

- On your phone, dial the teleconference number provided in your invitation.
- Enter the meeting ID number (also provided in your invitation) When prompted using your touch tone DTMF keypad.
- If you have already joined the meeting via computer, you will have the option to enter your two-digit participant ID to be associated with your computer.

Participant controls via the icons in the lower left corner of the zoom screen, you can:

- Mute/Unmute your microphone (far left)
- Turn on/off camera ("Start/Stop Video")
- Invite other participants
- View participants list opens a pop out screen that includes a raised hand icon that you may use to raise a virtual hand
- Change your screen name that is seen in the participant list and video window
- Share your screen
- Somewhere on your Zoom screen you will also see the choice to "toggle" between "speaker and "Gallery" view. "Speaker view" shows the active speaker. "Gallery view" tiles all the meeting participants
